To: **Shaker Dakhil, MD, *Principal Investigator,***
Keisha Humphries, RN, BSN, *Head Clinical Research Associate,*
and the entire staff of the
Wichita Community Clinical Oncology Program
Subject: Letter of appreciation

The National Cancer Institute and SWOG express their great appreciation for the important contributions your health care institution makes in bringing cancer research clinical trials to your community as a high-accruing CCOP member of SWOG, one of the nation's largest cancer trial networks.

Your devotion to caring for patients while also conducting cutting edge research plays a critical role in our quest to conquer cancer by understanding the best ways to prevent, diagnose, and treat the disease.

Sincerely,

Lori Minasian, M.D.
Chief, Community Oncology and
Prevention Trials Research Group
National Cancer Institute

Sincerely,

Laurence Baker, D.O.
Chair
SWOG
