Dear Dr Michael Cannon

Congratulations on your award of Certificate of Appreciation within the National Cancer Institute. Your commitment to advancing cancer research does not go unnoticed and we hope that by the recognition with this award, your achievement is acknowledged. Throughout your career, you continue to show dedication, integrity and a passion to further oncology care through research. This is exemplified by your devotion to each of your patients served, their families, as well as each of the physicians and other healthcare professionals you work with on a daily basis.

We are honored to have you as a part of the Wichita NCORP, as you demonstrate excellence in cancer care and research. We thank you for your continued dedication and emphasis on strong, efficient, and appropriate care for all those you encounter. We look forward to things to come, as you continue to advance your career.

Congratulations, again, on your receipt of the Certificate of Appreciation award with the NCI.

Sincerely,

Shaker Dakhil, MD- Wichita NCORP Principal Investigator

Claudio Ferraro- Wichita NCORP Signatory and Hospital President

Keisha Humphries- Wichita NCORP Administrator
