Verification of Certification Status

April 23, 2021

Dr. Elie Chalhoub

Below is the certification status of this physician as of April 23, 2021. In addition to reporting board certification, ABIM reports whether or not ABIM Board Certified physicians are participating in Maintenance of Certification (MOC). Because ABIM's MOC program requires continuous activities to maintain certification, we no longer issue certificates with end dates; however, we recognize that some entities may still require current certification status to complete primary-source verification.

Our website, www.abim.org/verify, is the primary verification source for ABIM Board Certification. We will update this status on an annual basis. Therefore, we encourage credentialers to use the **ABIM's annual re-verification date of April 1** to verify your physician's status. By using the annual re-verification date suggested, you will have accurate information about a physician's current certification status. Visit www.abim.org/moc to review ABIM's Maintenance of Certification policies.

If you have questions, please call 1 (800) 441-ABIM (2246), Mon. - Fri., 8:30 a.m. to 6 p.m. ET, or email us at request@abim.org.
